NAME: Cellulite Treatment cream

DESCRIPTION

Green Spirits Cellulite treatment cream, created to help reduce the unsightly appearance of cellulite by using only organic ingredients.

With the combined properties of Aloe Vera, birch, ivy and cecropia, the Cellulite treatment cream will help to drain and reduce, therefore, that annoying phenomenon called "orange peel" giving, at the same time, elasticity and tone to your skin.

Hemp Oil. Aloe Vera. Birch. Ivy. Cecropia. Fucus

NAME: Anti-age body cream

DESCRIPTION

Green Spirits Anti-aging body cream was created to contribute to the natural hydration of the skin.

With the presence and effectiveness of its natural ingredients (such as Aloe Vera and Macadamia Oil), the anti-aging body cream has a prolonged and hydrated action, softens and protects the skin from external agents.

It is suitable for all skin types and does not contain paraben.

Anti-aging body cream can be applied at any time of day and ensures a fresh and pleasant effect.

NAME: Delicate face exfoliating

DESCRIPTION

Green Spirits Delicate face exfoliating cream, with organic active ingredients and microspheres of apricot kernel, acts gently, removing the impurities of the skin with a smoothing effect.

It is suitable for all skin types and helps to fight the signs of stress caused by exposure to seasonal bad weather (cold winter cold and torrid summer heat).

How to use: apply in small quantities and massage in a circular way. Use 1 or 2 times a week. Rinse with water.

Hemp Oil. Aloe vera. Apricot kernel. Extra virgin olive oil.

NAME: Revitalizing tonic

DESCRIPTION

Green Spirits Revitalizing tonic results useful to prepare facial skin for subsequent treatments, such as the application of creams or serums.

In addition to this, the Green Spirits Revitalizing tonic allows you to eliminate residues of detergent, cleaning the skin from impurities.

Thanks to its ingredients, including Aloe Vera, Calendula and Chamomile, the Revitalizing tonic leaves the skin compact, toned and gives it freshness.

Hemp Oil. Aloe Vera. Chamomile. Hianuronic acid.

NAME: Legal Detection Test

DESCRIPTION

Rapid test for the distinction between legal CBD cannabis and cannabis containing a high value of illegal THC.

The rapid test that distinguishes cannabis products containing THC or CBD, the substance considered legal, is “safe, practical and reliable”.

This type of survey is supplied to the Swiss Cantonal Police and to the Swiss border guards.

Useful for producers, merchants of raw materials, retailers and customers who can check the product offered or grown at any time.

Blue: drug Hemp (THC more than 0.99%)

Red: legal Hemp (THC less than 0.99%)
